17th Young Guard Party Club Association.—A meeting of the General Committee, held September 18th. Resolved, That in view of the crisis in the political affairs of the country, the conflicting opinions in regard to the great measures of the day, we, the Ward Committees and Unions of these States, an effective organization and use and immediate measures are necessary to be had in order to secure the success of the great National Whig party in the coming Presidential election.

Resolved, That we, the members of the Young Guard, do resolve ourselves into a permanent political organization for the purpose of supporting the Whig party, and giving to the new Whig Administration our unanimous and hearty support.

Resolved, That in 1852 as in 1844, the Young Guard will be found in the Whig ranks, mainly sustaining the Whig principles, the Compromise, and the Union, and giving a hearty support to the candidates of the Whig party—that party which has ever so nobly sustained the Constituted and the laws.
